GENERAL INFORMATION

FIE: The 47th annual Frontiers in Education Conference (FIE)

Sponsored by the IEEE Education Society, the IEEE Computer Society, and the ASEE Educational Research and Methods Division, this year's conference will be held October 18th – 21st at the Indianapolis Marriott Downtown. The exhibit hall will be open to conference attendees on October 19th from 10:00 a.m. – 5:00 p.m. and October 20th from 9:30 a.m. – 4:30 p.m.

The Frontiers in Education Conference is a major international conference focusing on educational innovations and research in engineering and computing education. Over 600 academic and industry representatives are expected to attend. Participants will include college deans, department chairpersons, faculty in engineering, engineering technology, and computer science, as well as industry leaders from throughout the country and the world. The majority of the attendees, however, are computer science, engineering and engineering technology faculty.

The Frontiers in Education exhibits have become a very popular and rewarding tradition for both attendees and exhibitors. To insure maximum exposure, the exhibits and the refreshment breaks will be located in the same space. A special "Focus on Exhibits" session is planned for the afternoon of Friday, October 20th.

In the past several years, booth space has been very popular, with a high percentage of exhibitors returning.

WHO SHOULD EXHIBIT

- Publishers – display your computer science, engineering, and engineering technology textbooks, engineering education related textbooks, and associated software on technical writing and new multimedia technologies.
- Computer Software and Hardware Companies – demonstrate your latest products to your most consistent users.
- Lab Equipment Companies – present your latest equipment for all engineering fields. Attendees will represent most engineering disciplines.
- Manufacturers and Consulting services – introduce state-of-the-art equipment, tools, and programs geared to educators.
- Professional Societies – provide assistance and offer new techniques in engineering and engineering education.

FOCUS ON EXHIBITS

Attendees and participants will be encouraged to visit the exhibit area throughout the conference. In order to provide full exposure for the exhibits, a special "Focus on Exhibits" session is planned for the afternoon of Friday, October 20th during which time there will be no technical sessions scheduled. For additional exposure during the "Focus on Exhibits" session, please consider donating one of your company's products to be given away as a door prize.

EXHIBITOR SHOWCASE

Again this year, FIE will offer an "Exhibitor Showcase" that provides companies a longer block of time for demonstrations or presentations. This is an excellent opportunity to invite faculty members who are using your product to explain their applications to other educators. A list of the Exhibitor Showcase sessions will be distributed to conference attendees as part of the registration packet and posted in the exhibit area.

The Exhibitors Showcases will be held on Thursday, October 19th and Friday, October 20th in a meeting space within the conference building. Up to six (6) **1½ hour sessions** will be available this year. If you are interested in participating in the Exhibitor Showcase, please contact Robert Hofinger. There will be a \$250 charge for each Exhibitor Showcase to cover the cost of room set up and the audio/visual equipment (a data projector and a screen).

SPONSORSHIPS

For even more exposure, **consider becoming a Corporate Affiliate.** Affiliate monies in the past have funded conference events such as plenary speakers, breaks, lunches, receptions, and the rental of audio/visual equipment. Another option is to donate give-away items (with your company logo) for inclusion in the registration packet or as a door prize for the "Focus on Exhibits" session. Appropriate recognition will be given on the FIE web site, in conference publications, and signage at the conference. Corporate Affiliates also will be recognized during the conference luncheons.

If you are interested in a larger or customized sponsorship, please contact the Assistant to the General Chairs, Kevin Curry (+1 913-897-8761 or Kevin.Curry@ku.edu) to discuss available opportunities.
